

27. Rotary Charity Sailing Flotilla B2B

Kornati islands, Croatia: 19th October – 21th October, 2024

Organizator: Rotary District 1913, Yachting Fellowship, YC Biograd

PROGRAM

The Rotary clubs of our district, as well as friends from other neighboring districts, and the Yachting Fellowship are involved in the fund-raising campaign to help children in homes. Funds collected from the auction of reproductions of paintings with marine motifs, the wine auction, the lottery, and the income from the regatta will be divided into the aforementioned actions.

We attach great importance and attention to the protection of the Sea and prevention of further pollution.

Microplastics accumulate and pollute life in the sea and on land. It's very simple, let's not throw anything away

Saturday, 19th October Program

- do 17:00 Marina Biograd: registration of crews and ships, division of start numbers, accreditation and payment of entry fee
- 18:00 "Rotary Gourmet" each club brings a sample of specialties from their region, and presents wines and beers for humanitarian action and lottery
