

# III World Rotary Regatta

## 29. Rotary Charity Sailing Flotilla B2B

### 17<sup>th</sup> October – 19<sup>th</sup> October, 2026

Kornati islands, Croatia:

120 trees for 120 rotary years

#### PROGRAM

The Rotary clubs of our district, as well as friends from other neighboring districts, and the Yachting Fellowship are involved in the fund-raising campaign to help children in homes. Funds collected from the auction of reproductions of paintings with marine motifs, the wine auction, the lottery, and the income from the regatta will be divided into the aforementioned actions.

We attach great importance and attention to the protection of the Sea and prevention of further pollution.

Microplastics accumulate and pollute life in the sea and on land. It's very simple, let's not throw anything away
